JOIN US AT LA COUNTY'S FIRST YOUTH MUSIC FESTIVAL!

Gain business exposure with your local community by supporting the 2nd annual Opus Music Festival in Hacienda Heights!

Opus Music Festival is Hacienda Heights' one and only music and food fest powered by Opus Music School students. As a fellow business owner, I'm sure you know that it wasn't easy to host our 1st inaugural music festival during the pandemic. However despite all of the obstacles, we hosted the event and had over 250 attendees! We are expecting more this year and for the 1st time we are opening up opportunities for our business neighbors to support this event!

GET A VENDOR BOOTH

This year, we are opening up a vendor area and offering a space to you! Meet face to face with your local customers in a fun environment, or make a demonstration of your products or services!
